Text messages sent or received while roaming outside of Canada will be charged at 60¢/message. Visit telus.com/text for details. Multimedia messaging used while outside of Canada is charged as data roaming. Messages sent using iMessage may incur data charges. (2) Taxes and pay-per-use charges (including long distance, roaming and additional data) are extra. Plus applicable municipal government 911 fees: Nova Scotia (43¢), PEI (70¢), New Brunswick (53¢), Quebec (46¢), Alberta (44¢) and Newfoundland and Labrador (75¢). (3) Data speeds reduced to a maximum of 512 Kbps after your included high-speed data bucket is exhausted. Speed may vary with your device, internet traffic, environmental conditions and other factors. (4) For any subscriber(s) with a Canada-US plan: TELUS reserves the right to withdraw the offer at any time without notice. Customers are required to stay on the Canada-US plan for the duration of their term or will automatically be charged a \$100 service fee. Subscriber must remain a Canadian resident. Roaming pay-per-use charges only apply when roaming outside Canada and the US. The cost of service used while roaming outside Canada and the US will vary by zone. Visit telus.com/mobilityppu for details. Sending and receiving picture or video messaging in the US will use data. Calls to the following area codes and exchanges (712) 432, (605) 562, (605) 475, (712) 775, and (559) 726 are not included and will be billed at your standard pay-per-use rate. (5) You can access your Unlimited plan data with your phone and additional SIM-enabled devices such as Smart Watch, Tablet or TELUS Drive + which are added to your account. Once you hit your plan's high speed data threshold, speeds will be reduced on your Smartphone and all your connected devices however, you will not be charged data overage fees. Refer to TELUS' Fair Use Policy at <https://telus.com/fairusepolicy>. You only need one Unlimited smartphone plan per account. If you cancel the Unlimited plan from your account, all of your connected devices will be disconnected and any remaining Easy Payment balances will be charged in full on your next invoice. Unlimited plan data cannot be shared by devices on other TELUS rate plans. Unlimited plans cannot be combined with existing device balances. Customers on an older plan with an existing device balance must pay off their device balance before switching to a Unlimited plan.
